## University of Detroit Mercy College of Business Administration Graduate Certificates

A graduate business certificate may be undertaken by itself or in conjunction with our internationally accredited and nationally ranked MBA program. Choose from any of the following.

### Forensic Accounting

This graduate certificate provides specialized preparation in the fastest-growing field within Accounting. The certificate equips accountants to investigate, detect, and prevent fraud. Admission to this program requires an undergraduate degree in Accounting or equivalent coursework. For most qualified candidates, the certificate provides sufficient credits to satisfy Michigan requirements to become a Certified Professional Accountant (CPA). For more information, visit our site, <http://business.udmercy.edu/programs/graduate/forensic/index.htm>. **8 courses.**

**Required:**

ACC 5500	Accounting Information Systems
ACC 5510	Auditing
ACC 5520	Corporate Fraud Detection & Prevention
ACC 5540	Accounting During Cash Crisis
MBA 5210	Ethics & Social Responsibility in Orgs
MBA 5260	Information Systems & Technology

## Admission & Scholarships

50% tuition discounts are available to applicants scoring 600 or higher on the Graduate Management Admissions Test (GMAT). Alternatively, experienced managers may be admitted without the GMAT. Inquire for details.

## Our Mission and Identity

Since 1916, the College of Business Administration has prepared diverse students to serve business organizations and society with competence, compassion, and conscience. As a Catholic institution founded by Jesuit priests and the Sisters of Mercy, the College champions academic excellence and good character by encouraging intellectual, spiritual, ethical, and social growth.
